Our Week in Year 1

This week we have...

In English, we have been learning about character and setting description, looking at our new book 'The Tin Forest'.

In Maths, we continued practising counting to 100. We learnt about 1 more and 1 less (numbers within 100) and how to partition (split) numbers into 10s and 1s e.g. 58= 5 tens (50) and 8 ones.

Continued the RE topic 'Dialogue and Encounter' looking at our worldwide Christian community.

Investigated the properties of waterproof and absorbent by designing and making a hat for Mr. Teddy and then testing it.

Geography - we identified human and physical features in Shanghai.

DT Spring Rolls - On **Wednesday 10th July**, the children will be making spring rolls linked to our Geography topic. On that day the children need to bring in the ingredients for the spring roll they designed (as close as possible). We will then make them in small groups, cook them and the children will eat them at home.

We will provide filo pastry, soy sauce, 5 spice mix and the egg.

You will need a small selection of vegetables e.g. peppers, beansprouts, carrots, leaf cabbage and spring onions (the children will be slicing and grating these in school).

Thank you for your continued support.

Have a relaxing weekend!
