

## Year 2 – school week beginning 16.06.25

Dear Parents and Carers,

This week we have started planning our own non-chronological reports all about Arundel Castle. We are most impressed with all the facts children have learned on their recent school trip – many children remembered that the dungeon was called the oubliette (to forget) and that in desperate times the sally port was also used as a toilet!

As we are experiencing quite sunny weather, please apply sunscreen on your children before school and make sure they have a hat/cap to wear. Children are allowed to bring sunscreen so long as they know how to apply it on themselves. Please reiterate to them that this should **not** be shared with friends.

**Next week we will be following the Ten:Ten curriculum to learn about private body parts. It is school policy to teach the scientific names for private body parts using the Diocese approved curriculum. The body parts we will learn about are: penis, testicles, vulva, vagina and urethra. If you would like to access the lesson before hand, log onto Ten:Ten using the parent portal. You can find the lesson under – Life to the full – KS1 – Module 1 – Unit 2 – girls and boys V2.**

**Please could you let us know at the school gate if you plan on donating some bakes (see below), just so that we have a rough idea on table space!**

As part of our Catholic Social Teaching and to enrich our RE curriculum, this half term we will be raising money for our year group charity (WaterAid) and also donating money towards the restructuring of our Church's roof.

On **Monday 30<sup>th</sup> June**, Year 2 will be hosting a bake sale on the KS2 playground. If you are able to, please could you bake some goodies (cupcakes, brownies, cookies, etc.) which your child can donate to the bake sale. Children can bring these into school with them on Monday morning or you can bring them at pick up. Children will be dismissed to you from the MUGA as usual and then we invite you to come and take part on our bake sale stand!

Thank you for your continued support, the children are incredibly excited about this 😊
