

# Year 3

Dear Parents/Carers,

We are continuing to enjoy learning about Ancient Romans in history and are really looking forward to our trip to Fishbourne on Tuesday 17<sup>th</sup> June. **We will be leaving school promptly at 9am and require all children in school by 8.45am.**

We have continued to learn how to tell the time on an analogue clock in 5 minute and 1 minute intervals. Please see links below to a couple of games to help your child.

## **Ordering lunches**

Please order lunches for your child in advance. Lunches can be preordered right up until the end of each half term. This enables us to make a prompt start to the day. Thank you for your support.

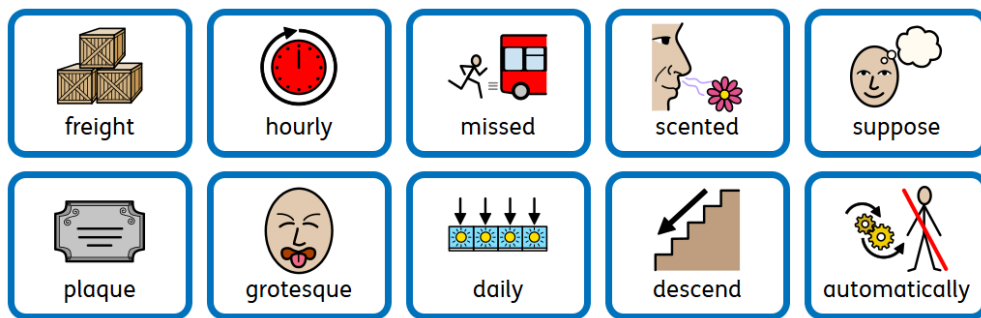

## **Master Reader Vocabulary Words:**

These are our Master Reader vocabulary words that we have been learning this week. See if your child can use them in a sentence or tell you their meaning:

**Homework - please ensure times tables and spellings books are back in school before the next quiz. Thank you.**

1. **Reading:** continue to read daily and complete your AR quizzes. [Find the link to AR here.](#) We would expect children to be completing **one** Accelerated Reader quiz per week (dependent on the size of the book).
2. **Times Table Rock Stars:** please continue to do this AT LEAST once a week, preferably 5 minutes a day, practicing the times table that will be tested on Friday. Children will progress after getting full marks on their tables tests on three separate occasions.
3. **Mathletics:** Money – adding and How much change?
4. **Spellings:** Revision Words

**Times table quizzes will now take place on Thursday each week. Please ensure your child has their Times Table book in class ready for their quiz each week. Spelling quizzes will still be on a Friday.**

**\*Cyanotypes:**

Children will be looking at composition and planning their cyanotypes on Thursday 19<sup>th</sup> June. Please provide them with some natural plant pieces to make their images. Their image will be A5 so items should be small. You can look at some examples here
