

Our Week

Wow! We are at the end of the half term already, it has absolutely flown by! Here are some of the things we have learnt about at school over this last week for you to discuss at home:

- This week we have been reading 'There is no place like space'. This helped us learn all about the different planets in solar system. Here is a song you may want to sing with your children:
<https://www.youtube.com/watch?v=mQrlgH97v94>
- We visited Father Niven in the church. He spoke to us all about the different features of our church and why they are so special.
- In Maths we focused on rotating 2D shapes to make our own pictures.
- In PE we began to practise for Sports Day
- In Games we continued to listen and follow instructions and made sure we played by the rules of the games
- In PSHE we shared the story of the tortoise and the hare. We talked about how sometimes things are tricky but we can try to keep practising and never giving up until you can do it

Home learning over the half term: Phonics set 2 sounds

<https://schools.ruthmiskin.com/resources/vc-pathways/449359/PdCOLjB5jAEbfZP9> and handwriting

Notes for parents

- Please could you send a pebble/stone in with your child on Thursday after half term. We will be decorating them as part of our RE topic
- We will be learning about animals after half term.
- Please see below for an exciting art competition opportunity!

Have a wonderful half term!

With best wishes,

The Reception Team
