

Year 6

Dear Parents and Carers,

This week, we enjoyed a Jolf workshop, learned about different parts of the blood in Science and made class promises for the Jubilee 'Pilgrims of Hope' pledge St Poly's is putting together. We wrote letters to the new reception children and enjoyed lots of play practice. The children now have their scripts for the Year 6 play and we have encouraged them to practise their lines at home.

Please can you ensure children come to school on Monday in full school uniform with their red jumpers.

There are lots of key dates to look out for in the upcoming weeks – please see below.

RSE (Relationships and Sex Education)

Thank you to those who attended our Parent RSE Meeting. As a school, we will be teaching from Ten:Ten, a diocese-approved scheme. We recommend you watch the video on the Online Parent Portal to familiarise yourself with the curriculum's aims and methods of teaching. If, after watching the video, you have further questions, contact us via the school office. If you would like the breakdown of the topics we will be teaching and when we will be teaching them, please contact us.

We will be teaching the following lessons after half-term. We encourage you to have your own conversations at home with your children about this topic.

Homework:

We will be launching our Year 6 project which is to be carried out over the next few weeks. Children must have completed the project and handed into their teacher by **Friday 11th July**.

Aspirations presentations will be delivered **on Monday 14th and Tuesday 15th July**. They must have been emailed to teachers via the main office **by Friday 11th July** at the latest. This project is highly valuable to the children's transition to KS3. Children will receive an award following successful completion of the project.

Gardening club opportunity

Gardening Club is in full swing and have entered some competitions from Farnham in Bloom. Would you like to join us?

Tallest Sunflower and Largest Pumpkin - we are growing these at school but would welcome anyone who wants to join in at home to try and better our attempts. Measurements would take place in September.

Wildlife Photography - any budding photographers are welcome to snap away. We will enter a few good shots. Please send any to info@FAO Mrs Walker.
