

Year 2 – school week beginning 02.06.25

Dear Parents and Carers,

We cannot believe that Summer 2 is here! This week, the children have been settling back into their learning routines, and we have started our new topics. In English, we are studying *The Egg (M. P. Roberston)* and using it to inspire instruction writing.

In maths, we are learning about telling the time from analogue clocks. This can be a very challenging concept for many children. Therefore, any informal work you can do at home with your children will benefit them. In Year 2, we focus on:

-  O'clock, half past, quarter past, quarter to
-  Telling the time in 5-minute intervals (links very nicely with our times table practice!)
-  Minutes in an hour
-  Hours in a day

From next week, we will be learning from the Ten Ten RSE curriculum. This includes naming body parts, such as penis and vagina. If you would like to preview the resources, please log into Ten Ten using the parent portal:

Username	<input type="text" value="Parentspolys"/>	 diversity	 marine	 vast
Password	<input type="text" value="Tenten2024!"/>	 bioluminescence	 methane	 lure
Parent Portal	https://www.tentenresources.co.uk/parent-portal/			
Parent Consultation Tool	https://www.tentenresources.co.uk/parent-consultation-tool-primary/			

Gardening Club is in full swing and have entered some competitions from Farnham in Bloom. Would you like to join us?

Tallest Sunflower and Largest Pumpkin - we are growing these at school but would welcome anyone who wants to join in at home to try and better our attempts. Measurements would take place in September.

Wildlife Photography - any budding photographers are welcome to snap away. We will enter a few good shots. Please send any to info@FAO Mrs Walker.

Upcoming Events

Tuesday 10th June – Trip to Arundel Castle

Thursday 12th June – Jolf Workshop

Thursday 12th June, 6:30pm- Parent and Carer Workshop – *please see below for details.*

Health Worker

Managing anxiety in children

Presented by Nikki Brunton-Smith
Waverley Primary Mental Health Worker

Parent and carer workshop
12th June 6.30-8.00pm
St Polycarp's school

- 
- What is anxiety? What effect does it have on our bodies?
 - What does 'normal' anxiety look like in a child?
 - What strategies can parents use to manage anxiety in children?
 - Where to go for further help and advice
 - With time for questions afterwards.
