

Our Week

We have had a lovely week and have even managed to enjoy some sunshine. Here are some of the things that we have been learning, your child might like to tell you a little bit more about them:

- We enjoyed participating in our first ever Sports Day at school and cheered on our fellow teammates with lots of enthusiasm
- In Maths we practised our positional language, directing our friends through a variety of activities whilst using clear instructions
- We also re-caped adding and taking away.
- We read the story 'Mad about Mini Beasts' to help us learn all about insects.
- We learnt about different parts of an insect and their habitats.
- We went on a mini beast hunt to see if we could find any insects.
- We made our own paper plate mini-beasts and mini beast puppets.
- We learnt the words 'abdomen', 'thorax' and 'antennae' to help us label the different body parts.
- In Re we learnt all about celebrating Jesus around the world.
- We watched the year 6 play, it was amazing.

Notes for parents

- On sunny days hats and pre-applied suntan lotion are a must. Thank you!

Best wishes, the reception team 😊
