

# Our Week

We have had a lovely, sunny week in Reception  
Here are some of the things that we have been learning this week, your child might like to tell you a little bit more about them:

- The children really enjoyed their scooter workshops
- Through our Topic "Understanding the world" we recognised our special achievements
- We shared the story 'Whatever Next' and role played the story with our friends
- We re-told the story of 'Whatever Next' by drawing and labelling story maps
- We created our own moon picnics just like Baby Bear
- We designed a space suit for Baby Bear, collaged owls using feathers and different medium from our creation station and painted rockets
- Our Alien visitors have been very busy moving around the classrooms, enjoying all that is on offer to play with. We will certainly miss them when they return to their homeland
- In PE and Games we were focusing Multi-skills games and relay races.
- In RE we learnt all about the Holy Spirit and how it is a gift from Jesus. We discussed how the Holy Spirit is our friend and is always with us.
- In PSHE we continued our topic "Friendships" and thought of ways to solve problems and stay friends.
- In Maths we were continuing to look at the teen numbers.
- In Music we continued to look at Pulse and Tempo and practised clapping Rhythms

## Notes for parents

- Please can you make sure your child has the correct PE uniform for PE & Games and very importantly have their PE trainers. Correct kit is PE T-shirt, Blue shorts or tracksuit bottoms, Blue hoodie (if cold), trainers
- Please remember to label you child's clothes, particularly jumpers. As the weather is warming up the children are removing their jumpers and

without being named it is tricky to ensure they have the correct one. Any unnamed clothes left in school will be put in the Lost property box outside Puffins classroom.

- As the weather is getting hotter, please ensure children have a hat and suncream on
- Please choose your child's lunch on Scopay. We are finding lots of children have not had a meal chosen for them which causes confusion in the Kitchen
- Do not forget to sign up for our school trip- if you have any questions please see you child's class teacher.
- Please can you send you send your child into school with an empty and clean milk bottle. We will be starting to plant our summer flowers.
- Please do continue to read with your child for (at least) 10 minutes a day. A little bit each day makes such a big difference. It would be appreciated if you could make a note in their reading record, thank you.
- Please could you bring in any plastic bottles or boxes over the next few weeks as we would like all children to make a space rocket.
- **Show and Tell** - Our topic this half term is Adventures through time and Space.
- As the children do not change their reading books on a specific day each week, please can they be kept in their Book bags every day. We like to hear the children read and it would be helpful to have their books at school
- Just a little reminder- please ensure your child comes independently into school through the outdoor classroom door, not the corridor. You can leave them at the reception wooden gates.

Many thanks for all your support. Have a happy weekend!

Best wishes,

The Reception Team
