

Year 3

Dear Parents/Carers,

This week the children have enjoyed painting their own volcano pencil pots and we hope you are enjoying using them at home. They continued to write non-chronological reports about Ancient Egypt and we are impressed with the wonderful joined handwriting. In maths, they have been learning about money...lots of budding accountants!

Master Reader Vocabulary Words:

These are our Master Reader vocabulary words that we have been learning this week. See if your child can use them in a sentence or tell you their meaning:

Homework - please ensure times tables and spellings books are back in school before the next quiz. Thank you.

1. **Reading:** continue to read daily and complete your AR quizzes. [Find the link to AR here](#). We would expect children to be completing **one** Accelerated Reader quiz per week (dependent on the size of the book).
If your child is on RWI please write in their reading record daily.
2. **Times Table Rock Stars:** please continue to do this AT LEAST once a week, preferably 5 minutes a day, practicing the times table that will be tested on Friday. Children will progress after getting full marks on their tables tests on three separate occasions.
3. **Mathletics:** None set this week
4. **Spellings:** Challenge Words to be tested on **FRIDAY 6th JUNE**.

Times table quizzes will now take place on Thursday each week. Please ensure your child has their Times Table book in class ready for their quiz each week. Spelling quizzes will still be on a Friday.

Many thanks for continuing to support your child's learning. If you have any questions or messages for your child's class teacher, please come and speak to us at the end of the day or email info@stpolycarps.surrey.sch.uk.
