

Our Week

Wow! We are at the end of the half term already, it has absolutely flown by! Here are some of the things we have learnt about at school over this last week for you to discuss at home:

- We had a lovely afternoon on Monday celebrating Miss Lee's upcoming wedding. We wish her the best of luck and hope her special day is magical!
- We continued our History topic "Adventures through time" by using photographs and stories to compare the past with the present day. We wrote about things that we had done in our past.
- After reading "The Smeds and the Smoos" (by Julia Donaldson) we designed our own planets that we would like to live on
- We labelled and described the planets from the story and then story mapped them in order of when they were visited.
- In phonics we have been enjoying learning new special friends and trying hard to read our Green words speedily
- In Maths we looked at sharing. We discussed how we could share fairly.
- In Games we continued to listen and follow instructions and made sure we played by the rules of the games
- In music we listened to music and responded through dance and actions to show how it made us feel.
- We sang a special song about how we are all different and performed it to the rest of the school in our Neurodiversity Collective Worship
- In RE we talked about how the Church is a special place

Notes for parents

- Please could you send a pebble/stone in with your child on Thursday after half term. We will be decorating them as part of our RE topic
- **Scopay** – please can you make sure the children's lunches are being chosen each day

- **Please use the set 2 sound cards to practise with your children during the half term. Please keep up their reading every day, they are doing such a great job!** rwi-set-2-sounds-flashcards.pdf
- As the weather warms up please make sure that you apply sun cream to your child before school
- A reminder that the children are only to bring in red book bags. We do not have the space in our cloakrooms for backpacks
- We will be learning about animals after half term.
- Junk modelling and recycling - if you have any recycling to donate after the half term that would be greatly appreciated!
- Please ensure that all school uniform is named

Dates for the Diary

Monday 2nd June - Back to school

Thursday 12th June - Managing anxiety in children - Parent/carer workshop

Friday 20th June AM ONLY - Infants (EYFS & KS1) Sports Day!
