## **Our Week in Year 1**

Below are some of the things we have learnt this week. Your child might like to tell you a little more about a few of these:

In English, we have been learning about rhyming words and poetry. We then wrote a class poem about Christmas!

In Maths, we have started our next topic on place value - numbers up to 20. The children were understanding the 'teen' numbers by making them using different maths resources in the classroom. Please practise counting forwards and backwards (from any number) at home!

In RE, we learnt about how Christians celebrate Christmas. With our parents, we made a Christingle and enjoyed our celebration service together. Then the children reflected on the lovely Christingle events and wrote their thoughts in their book.

In Science, we learnt about weather reporting and have begun to give a daily weather report, including describing the weather and checking the thermometer for the day's temperature.

In Art, we finished our topic on simple printing by creating our own printing plate out of plasticine and printed repeated patterns with ink in our sketch books!

In Computing, we consolidated our digital painting skills on the Paintz.app.

The children attended Christmas Mass on Friday morning. It was lovely seeing lots of our families join us - thank you!

We enjoyed watching the Year 2 Liturgy about the true meaning of Christmas.

The children had a lovely Christmas lunch on Wednesday and enjoyed wearing their Christmas hats/jumpers!

### **Homework**

Regular reading of the Read Write Inc. books (RWI) and any other books that you have at home!

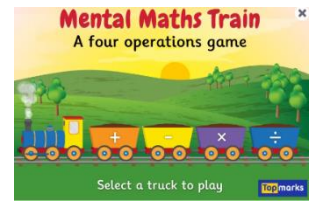

Handwriting practice - letters x z

Maths: Please complete a Maths.co.uk task called 'Arithmetic (B)'. It should take approximately 15 mins.

Extra Maths - Following our learning of addition & subtraction and 2D & 3D shapes this half term, you could also play some extra maths games at home (this week or over the Christmas holidays)

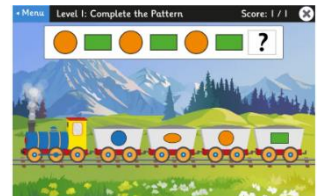

1. You could practice addition and subtraction using the 'Mental Maths Train' game on Top Marks website. When you select 'Play game' please choose the options + and - and select 'Up to 10' and you could also try 'Up to 20'.
