

# Our Week

Please follow our school's Instagram page  
**stpolys\_school\_farnham**

Where has the time gone?! Can you believe that the Puffins and Robins only have one term left in Reception? Thank you for making some time to attend parents' evenings and celebrating your wonderful children's achievements with us! We would like to take this opportunity to thank you for everything that you do at home with your children. It makes such incredible impact on their schoolwork and progress.

Here are some of the things we have covered at school over this last week for you to discuss at home:

- Crafted a range of Easter creations throughout the week
- We learnt about signs of spring and went on a spring walk around the school
- We enjoyed making Easter cards for our friends and family where we used our best handwriting.
- In maths we learnt about doubling and odd and even numbers
- In RE we learnt about the Easter story and enjoyed re-telling it.
- In PE we continued our topic on ball skills.

Please practise the attached letter formation with your children over Easter.

## Notes for parents:

- As we approach the end of term, we are looking at the resources that we desperately need. Thank you very much to those who have already sent some bits in, we really appreciate your support.

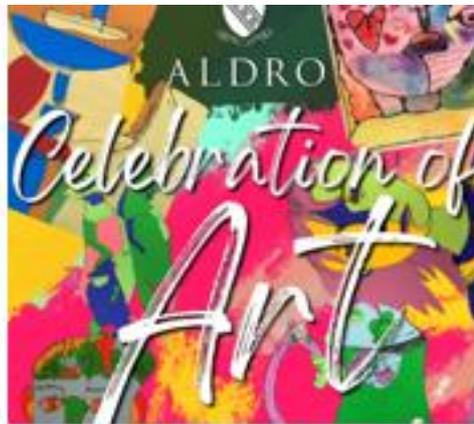

- Mobilo
- Loom bands
- playdough
- **Show and Tell** - Our topic next half term is Adventures through time and Space.
- **On the first Monday back after Easter, please can you send your children into school with pictures of their family.** These photos will be used for creating their own family tree so please ensure you don't mind them being cut up.
- As the children do not change their reading books on a specific day each week, please can they be kept in their Book bags every day. We like to hear the children read and it would be helpful to have their books at school

Many thanks for all your support. Have a wonderful Easter break!

Best wishes,

The Reception Team

Calling all artists!

We are delighted to be taking part in Aldro's art competition again this year.

If your child would like to take part, they must submit a piece of artwork to their class teacher by **28<sup>th</sup> April 2025.**

An art exhibition and prize giving ceremony will be held at Aldro school on 16<sup>th</sup> May 2025 for the children and family of prize winners.

***Please create a picture or sculpture of your favourite animal. Any size.***

***Please write child's name, age and year group on the back.***

**Artwork cannot be submitted without this.**

*Good luck!*

*Mrs Roussel and Miss bellapaisioutou*
