

17.7.26

Our Week in Year 1

This week we have...

Have been to church to say Goodbye to our Year 6 Leavers.

It was lovely seeing some of you at her picnic after school on Thursday 😊

We learnt about rhythm in poetry and performed 'Hand on the Bridge' by Michael Rosen!

In English we finished writing our own version of 'The Tin Forest'.

In Maths we did one more and one less, and compared numbers up to 100.

In Computing we consolidated our learning on programming and practised using the Bee Bots.

We talked about Year 1 coming to an end and how we are feeling about going into Year 2.

We made our spring rolls on Thursday! We loved cutting/grating our ingredients and assembling them into our spring roll.

Notes for parents

Reading Books – All RWI books have now been collected in for the end of the year. If you have any books still at home, please do return them as soon as possible. All missing books will have to be replaced at a cost to the school.

No official homework for the Summer holidays but...

Summer holiday writing – Please find inside your child's book bag a 'My Summer' worksheet. Please complete and bring back to school in September 😊

Spelling – The full list of words has been updated on the Year 1 page of the website. Please do use this for any words you still wish to practise with your child in preparation for Year 2.

Extra practise at home – Please continue to practise things like counting in 2s, 5s, 10s, number bonds to 20 and writing extended sentences in preparation for Year 2.

RWI Phonic Sounds – a reminder that phonic sound cards can be found on the Year 1 page of the website. Please do continue to practise these sounds over the holidays. This will really help with your child's reading as they start Year 2.

Handwriting – Please check your child's book bag for a letter detailing which specific letters your child needs to practise, ready for Year 2.

Dates for the Diary

Tuesday 1st & Wednesday 2nd September - INSET DAYS (No children in school)

Thursday 3rd September - First day of the Autumn Term

Friday 2nd October – INSET DAY (No children in school)

Thank you – We all want to thank you for your support this year - your children have been fantastic. I am sure you will agree that we have had an action-packed year and summer always allows us time to reflect. From the excitement of our walk to the local woods to our special Christingle service. From maths challenges to adventurous stories. From Milestones Museum to our trip to Farnham Library. From making planes to making sandwiches. From spring rolls to sports day. Each and every one of your children have contributed to the joy and pride we have in our jobs as teachers.

Thank you for all your kind words, cards and gifts. We are very lucky!

Have a relaxing summer break and please keep reading and practising!

The Year 1 Team 😊
