

Our Week

What a lovely week we have had at school.

Here are some of the things that we have been learning, your child might like to tell you a little bit more about them:

- We all thoroughly enjoyed our trip to Chessington and wrote some super sentences about what we did when we were there
- We learnt about all the different animals that live on the farm and what they eat and drink
- We discussed lots of different jobs that people do when working on Farms
- We read “What the Ladybird Heard” by Julia Donaldson and wrote text maps of the story
- In phonics we carried on reading to our partners. Can your children tell you what an alien word is?
- In Maths we used spatial language, including following and giving directions, using relative terms and described what we saw from different viewpoints
- In the creative station we crafted farm animals and a tractor
