

Year 6

Dear Parents and Carers,

Year 6 has been busy, busy, busy! We had an inspiring and amazing time at UCA on our school trip. The children all had an awesome time, showed teamwork and collaboration, produced some impressive art and were brilliant ambassadors of the St Polycarp's values whilst we were there. Thank you again to those parents who volunteered their time to join us. A further thank you goes to all the children and parents who took the time to attend our careers' fair – it was a real success, so thank you for your support. Most of the children enjoyed taster days at their new secondary school and got a feel for the next chapter ahead. We got to excite and dazzle the school with the Polyvision song contest dress rehearsal – we cannot wait for the real deal next Friday with all our lovely parents and carers! Lots of exciting dates coming up – please make sure to read below!

A reminder for children to please complete their Year 6 projects by the 12th of July as stated in the project. Aspirations presentations must also be emailed to the school office by this date please.

Important dates:

Saturday 6th July – Summer fair

Friday 12th July – Year 6 play to parents

Friday 12th July – End of year reports released to parents

Monday 15th & Tuesday 16th July 2024 – Year 6 presentations

Tuesday 16th July – Year 6 party 5pm – 7pm

Wednesday 17th July – Year 6 Leaver's Mass with slideshow in the hall to follow

Friday 19th July – Year 6 parade 1:15pm & Break up for Summer 1.30pm

Homework

The children have now received their Year 6 St Polycarp's Project which will consist of their homework for the last few weeks of Primary School. Please read through it with them. Children will need to bring their project in and evidence their progress every morning. Daily reading continues as before.

Reading

Children must continue to read for 15 minutes per day. **The children must complete their reading quizzes online as part of their homework.** All children should be reading daily and completing a quiz when they have finished a book. Children should be reading a book and completing a quiz at least once a month. Please use the link below to access the quiz. **It might be useful to save the link in your favourites.**
