

Year 6

Dear Parents and Carers,

Welcome to Year 6! This week we have been settling into our new classrooms and routines as brand-new Kites and Eagles. We are already super confident that the children are going to be fantastic role models for the school!

In PSHE, we have been thinking about how we are all unique and special in our own way and how as individuals, we should embrace our differences and celebrate these together. Children were asked to write about the BEST part of themselves. This is then used to create a display which stays in the year 6 corridor all year long to serve as a reminder of the things we love about ourselves.

The children have also started on some writing; we are looking forward to seeing their writing journeys grow as the year progresses.

Please join us for our 'Meet the teacher' session next week (**Thursday 11th September at 2:30pm**), where we will be talking about everything 'Year 6' and our upcoming PGL trip. We recommend that at least one parent/carer attend for each child. This will be held in Kites classroom.

We look forward to meeting with you all!

Miss Maloney and Miss Kelly
