

Our Week

We have had a lovely week and have even managed to enjoy some sunshine. Here are some of the things that we have been learning, your child might like to tell you a little bit more about them:

- We have been learning all about the features of a Jungle and what creatures habitat there
- We wrote clues to describe our favourite Jungle animal and our friends guessed which animal we had chosen
- We enjoyed reading "Rumble in the Jungle" and learnt a poem about Jungle animals.
- In phonics we carried on reading to our partners. Can your children tell you what red words and special friends they are learning?
- In Maths we were practising our Number bonds to 5 (and even to 10), doubling numbers and taking away within 10
- In the creative station we crafted lots of jungle themed creations, displaying our amazing imaginations
- In RE we learnt about St Paul and how he was a friend of Jesus

Notes for parents

- **School Trip** - We are very excited about our school trip on **Tuesday**
Please put **factor 50** on your children before they come to school. They will need a **hat, water bottle** and a **packed lunch**. As we approach the end of the year it is important that the children take responsibility for ensuring they take home their own belongings at the end of each day.
- **Parents evenings are on the 7th and 9th July**
- As the weather warms up please make sure that you apply sun cream to your child before school
- Please ensure your child brings their book/ ditty sheet and reading record to school every day.

- Thank you for continuing to read with your children every day. Please ensure you are sharing this in your child's reading record.

Have a lovely, restful weekend.

Best wishes,

The Reception Team
