

Year 5

Dear Parents and Carers,

Year 5 started a new topic in Maths this week, learning about measurements and how to find perimeters of rectilinear and polygon shapes. We had a special visit from J.J. Arcanjo, the author of Crookhaven. Year 5 thoroughly enjoyed learning about his journey as a writer.

Have a lovely long weekend!

If your child has borrowed any PE kit from school please can it be returned.

Lent Concert

Our Doves and Pheasants will be joining together for our Lent Concerts to play and sing 'Shotgun' by George Ezra. Please feel free to encourage your child to listen to the song, the lyrics will need to be performed by heart for the concert, so please do support your child in learning these if you are able.

Catholic Social Teaching

As part of our learning, we teach children how they can follow in the footsteps of Jesus in the way they interact and help others. If your child has taken part in any charity work, please let us know so we can share and celebrate this in school.

STEM (Science, Technology, Engineering and Maths) – calling all parents who work in these fields. We would love to hear about your work and experiences and hopefully encourage the children to follow in similar footsteps. Please let us know if you would be happy to pop into school sometime to support the enrichment of the children's learning.

Homework

TTRS

Children are to practise their times tables on TTRS for 15 minutes a day, 5 days a week. There are weekly challenges to engage the children. Focus on those times tables your child needs to improve their speed and fluency on and select these in 'Garage'. Play 'Studio' to help St. Polycarp's climb up the local schools' leaderboard!

Reading

Please see below for the Key Stage 2 reading guidance.

When the children finish reading a book, they need to complete an online quiz at home before changing the book. Please be aware that both username and password are in lowercase.
