## **Our Week in Year 1**

This week we have...

Met our new Year 2 teacher and adults, and visited our new classroom! The Skylarks will be Swifts and the Swans will be Swallows 😊

In English, we have been learning about compound words (e.g. light + house = lighthouse) and we wrote sentences with them.

In Maths, we continued practising counting to 100 (in ones and tens). We learnt how to partition (split) numbers into 10s and 1s e.g. 58 = 5 tens (50) and 8 ones. We also looked at number lines up to 100 and filling in missing numbers.

Continued the RE topic 'Dialogue and Encounter' looking at Judaism and the links to Christianity.

In Science we tested which materials were tough and completed a results table.

In Geography we identified human and physical features in China, which we then used as inspiration for making our own postcards from China.

In DT we designed our spring rolls (linked to our Geography topic) and will be making them next week (more details below).

### **Notes for parents**

**Thursday 10<sup>th</sup> July - DT Spring Rolls** - The children will be making spring rolls linked to our Geography topic. We will be providing a variety of ingredients (e.g. vegetables, pastry, soy sauce, beansprouts, noodles etc). The children will be choosing their own ingredients according to their design (as close as possible!). We will then make them in small groups, cook them and the children will eat them at home. They will evaluate them on Friday so please ask your child how it tasted!

**Natural Materials Wanted!** - Please could you collect and bring in natural materials e.g. sticks, leaves, grass cuttings, pine cones etc as the children will be making animals homes in DT (and linked to Science).

**Lunches** - Please book your child's lunch in advance on SCOPAY. If you are having technical difficulties, please speak to the office.
