

Year 5

Dear Parents and Carers,

We have had a lovely week again in year 5!

Both classes have enjoyed doing gymnastics in PE and we have been building 3D model set designs in Art. We have been doing a role play and writing a diary entry to help understand more about the Transfiguration in RE.

In Maths, this week we moved on to multiplying fraction and in English we were publishing our adventure narrative using direct speech and figurative language. In Science we have been investigating different shapes to find the most aerodynamic and streamlined ones moving through water.

Thank you for your continued support,

Mrs Peneda, Mrs Maliphant and Mrs Gregson.

Upcoming Events

Monday 9th February – Friday 13th February – Mental Health Awareness Week

Monday 9th February 2026 – DT project (preparing root vegetables)

Half term Monday 16th February – Friday 20th February 2026

Monday 23rd February 2026 – first day back after half term

Tuesday 24th February – St Polycarp's Science Fair (more information to be shared soon)

Thursday 12th March – Open Books

Friday 13th March - (School closed) - INSET Day

Monday 23rd March- Parents' Evening (in person) and Thursday 26th March- Parents' Evening (online)

DT

On Monday 9th February 2026 we will be doing our DT project (preparing root vegetables). Please can the children bring in **one root vegetable** each on this day. The children will be planning their recipes in the WC 2nd February 2026 and will inform you which root vegetable they will need to bring in. Please contact us if you have any questions about this.

Information

PE: Tuesday -**Doves only** Children should come into school wearing their school uniforms and will change into PE kit at school.

PE: Wednesday - **Pheasants only** Children should come into school wearing their school uniforms and will change into PE kit at school.

Library: Monday (Pheasants and Doves). Children need to bring their library book back **EVERY** week.

Games: Friday (both classes) **Children wear their Games kit on Fridays all day.**

Prayer bags

Here in the St Polycarp's family, we follow in the footsteps of Jesus through playing, praying, loving and learning together.

To support us in continuing to live out our mission, your child will have the opportunity to bring home our class *prayer bag*. It includes simple, age-appropriate resources to help you pray together as a family. The prayer bag will be brought home by a different child in the class each week.

You'll also find a prayer diary where you and your child can write any thoughts, prayers or intentions if you wish. The prayer bags will be sent home on a Friday and returned the following Friday.

The prayer bag is a wonderful way of linking the prayer life of our school and home by encouraging the children to practise and lead their own prayer sessions with their families and share their spiritual experience. We hope this shared experience brings moments of peace, connection and joy to your home.

Thank you

Homework:

Maths homework will reflect the learning that is done in class during each unit. It is set every Friday on Maths.co.uk. Logins have been sent home. We suggest that children write down their working out on paper when completing the questions from maths.co.uk before entering the answer electronically. Sadly, paper copies cannot be provided. Children are not required to hand in their answers. If you would like further practice, you can use MathsBot.com Year 5 Arithmetic.

At St Polycarp's we follow the White Rose Maths Scheme and wanted to signpost the helpful videos which are available to parents and pupils free of charge.

Here is the link for the White Rose videos "Maths with Michael."

It is on the website under the maths section as well.

<https://whiteroseeducation.com/parent-pupil-resources/mathematics/mathematics-with-michael>

Weekly Spelling Quiz Update

From Spring term, weekly spelling quizzes will include 6 spellings from the current week's list, 2 from the previous week and 2 from an earlier quiz within your child's year group. This approach uses retrieval practice, which helps children strengthen their memory and move spellings into long-term retention, rather than just learning them for a single test.

Please don't be concerned if scores dip slightly at first while children adjust to this format - this is a normal part of the learning process and will support stronger spelling knowledge over time.

Spelling homework:

Spellings are set every Friday with a spelling test the following Friday giving children one week to learn them. This week's spelling:

afterwards
immediately
earlier
eventually
previously
finally
recently
yesterday
tomorrow
whilst

Reading

Please see below for the Key Stage 2 reading guidance. When the children finish reading a book, they need to complete an online quiz at home before changing the book.

Children should aim to complete as many quizzes as they can but are expected to complete at least 3 quizzes per half-term.

We have noticed that there are still some children who have not completed many quizzes since start of term. Check that your child is completing the reading quiz – this is part of their weekly homework. **Children can complete the quizzes at school during lunchtime homework club on Fridays if they are not able to do them at home. Please ask them to speak to their class teacher about this.**

[Find the link to AR here.](#)

Reading in Key Stage 2

Handy Hints

- Make reading part of your daily routine.
- Short sessions – **15 minutes per day.**
- Continue to read out loud to an adult as well as independently.
- Try to read a range of books including fiction and non-fiction.
- Complete the Accelerated Reader quiz at home, ideally within 24-48 hours of finishing the book.

How can parents help?

Reading improves with practice.

Encourage your child to read at home, share your own books, discuss books, ask questions about the book they have read and visit the local library.

Times Table Rockstars (TTRS)

As a guideline, **children should aim to practise their times tables as much as possible, preferably daily.** Please encourage the children to practise those times tables which they are less secure with.

If you have any questions or messages for your child's class teacher, please come and speak to us at the end of the day or email info@stpolycarps.surrey.sch.uk.
