

Our Week

What a lovely but rather hot week we have had at school. Here are some of the things that we have been learning, your child might like to tell you a little bit more about them:

- We all thoroughly enjoyed our trip to Bocketts Farm and wrote some super sentences about what we did when we were there
- We learnt about all the different animals that live on the farm and what they eat and drink
- We discussed lots of different jobs that people do when working on Farms
- We read "What the Ladybird Heard" by Julia Donaldson and wrote text maps of the story
- In phonics we carried on reading to our partners. Can your children tell you what an alien word is?
- In Maths we used spatial language, including following and giving directions, using relative terms and described what we saw from different viewpoints
- In the creative station we crafted farm animals and a tractor

Notes for parents

- **Scopay** - please can you make sure the children's lunches are being chosen each day
- Please ensure your child brings their book/ ditty sheet and reading record to school every day.
- Thank you for continuing to read with your children every day. Please ensure you are sharing this in your child's reading record.

Have a lovely, restful weekend.

Best wishes,

The Reception Team
