

# Year 4

Dear Parents/Carers,

This week the children have been exploring and identifying the features of blog posts. They planned their very own blogs and will be word processing them on the computers next week.

In Geography the children compared qualitative and quantitative data.

In Science the children learnt about the water cycle and drew excellent scientific diagrams demonstrating it.

Have a lovely weekend.

Miss Corless and Mr Jacobs

## Upcoming dates

**Thursday 13<sup>th</sup> February - Y4 RSE Meeting (2:45-3:15 in Jays classroom)**

**Friday 14<sup>th</sup> February – Finish for half term**

## **RSE (Relationships and Sex Education) Meeting**

This year we are using a resource called Ten Ten to support our RSE and PSHE curriculum. This is recommended by the Diocese and the Bishop. We will be having an information meeting on Thursday 13<sup>th</sup> February if you have any questions.

## Homework

Ed shed is up and running so spellings have been set for this week. Spellings are set every Friday with a spelling test the following Friday giving children one week to learn them. A list of this week's spellings can be found below.

## Mathletics

Mathletics is up and running. Homework has been set for this week, it follows the same schedule as Ed shed (Friday to Friday).

## Accelerated reader

Accelerated Reader logins should now work for the children. The login and password is the same as last year. When the children finish reading a book, they need to complete an online quiz at home before changing the book.

Please use the link below to access Accelerated Reader.

tremendous, enormous, jealous,  
precious, disastrous

### **Times tables**

TTRS battle – 7.2.25

Owls Vs Jays – **THE REMATCH!**

**This week Owls came out the winners.** Please keep encouraging your child to practice their times tables. In the coming weeks we are going to be giving out 'Gone Green' certificates. This is for children who are fluent in their times tables and can recall all in under 4 seconds. Your child's teacher has sent home their current heat map for you to look at, so you're aware of tables you can work on with them.
