<p>Around and back on a railroad track</p>  <p>Two, two, two</p> <p><small>www.communicator4all.co.uk</small></p>	<p>Around the tree and around the tree,</p>  <p>That's the way we make a three.</p> <p><small>www.communicator4all.co.uk</small></p>

Down and over, down
some more

That's the way we
make a four.

Down and around
then a flag on high

That's the way we
make a five.

Down we go and make
a loop,

Number six makes a
hoop.

Across the sky and
down from heaven,

That's the way we
make a seven.

Make an 's' and do
not wait

When it's joined up
you have an eight.

Make a loop and then
a line,

That's the way we
make a nine.
