

# SPANISH SPRING TERM 2024-25

## In Year 3.

- We look at the topic of "Introductions"
- We learn how to say:
  - "How old are you? I am ...years old"
  - Numbers 1-30
- We review greetings learnt before.

In the second half of this term, we look at the topic of "Family" learning to say :

- "How many siblings do you have? I have..."
- "This is my brother, sister, mum, dad..."

## In Year 4.

- We look at the topic of "Hobbies"
- We learn how to say:
  - I, you, he, she
  - I dance, I paint, I play, I read, I swim.

In the second half of this term, we look at how to say:

- You dance, you paint, you play, you read and you swim
- We will make sentences with these verbs, days of the week

and adverbs.

## In Year 5. We look at the topic of "Descriptions"

In the first half of this term, we learn:

- the verb "to be"
- adjectives like tall, short and young,

In the second half we learn:

- the verb "to have"( I have, you have, he has and she has)
- how to describe our eyes and hair.

## In year 6 We look at the topic of "Weather".

We learn:

- Weather expressions
- The seasons
- We reviewed months of the year and Countries.

In the second half of this term, we learn some time expressions and put all these elements together to do a presentation of the Weather in a specific country.
